

# Learning today, Leading tomorrow.

Name \_\_\_\_\_ Grade \_\_\_\_\_ School \_\_\_\_\_

What does the phrase “learning today, leading tomorrow” mean to you? Can you give an example of what you are learning in school that will help you lead in the future?

What do you hope to accomplish in school? What is your greatest achievement in school this year?

What are some professions (or careers) that interest you and that you might like to pursue in the future? You may list as many as you like!

What subjects in school do you think are the most important and helpful for being successful in the professions that interest you?

What are some things you could start doing NOW to learn more and prepare for your future profession?

Do you have particular talents or skills that you think you should put to good use? Explain.

Are there any obstacles that you may have to overcome to accomplish your goals? Explain.
