

Hathaway Scholarship Intention Form

Your school has provided information regarding the Wyoming Hathaway Scholarship Program and the criteria required for students to earn this scholarship upon high school graduation.

I understand the awarding of this scholarship is dependent upon my child's cumulative grade point average, ACT/WorkKeys score and completion of the Hathaway Success Curriculum course of study.

I understand that along with the school, it is my responsibility and also my child's responsibility to understand the necessary requirements for earning a Hathaway Scholarship.

**Parents please check one of the following:*

- I have read the requirements of the Wyoming Hathaway Scholarship Program provided by the school and understand them. My child **will** participate in the Wyoming Hathaway Scholarship Program.
- I have read the requirements of the Wyoming Hathaway Scholarship Program provided by the school and would like to set up a conference with the counselor to better understand the Hathaway Scholarship process.
- I have read the requirements of the Wyoming Hathaway Scholarship Program provided by the school and understand them. My child **will not** participate in the scholarship program, nor complete the requirements associated with this program. I understand that my child is still required to meet the district's high school graduation requirements.
