SUBJECT: Revised Wyoming Switchboard Network Website

WSN WEBSITE REVISIONS SURVEY

The Wyoming Department of Education (WDE) is seeking input on the Wyoming Switchboard Network (WSN) website revisions that will include an updated searchable catalog of K-12 online courses, virtual education programs in the state, a district controlled pre-registration process, and an interactive course need survey. The WDE believes collecting stakeholder input is an important step to ensuring the revised website meets the current and future virtual education needs of districts, schools, and students. The WDE encourages you to participate in this brief survey.

The survey will be available until June 9, 2017 at: edu.wyoming.gov/blog/2017/05/16/wyoming-switchboard-network-survey
